CHRIS CHRISTIE
GOVERNOR

October 22, 2015

To: James Wallace

Dear Mr. Wallace:

On behalf of the State of New Jersey, I am pleased to congratulate you upon receiving the Advancement of Invention Award from the New Jersey Inventors Hall of Fame.

As the workplace of Thomas Edison and Albert Einstein, New Jersey has a rich history of innovations in scientific and technological advancement and continues to be a driving force today. The New Jersey Inventors Hall of Fame recognizes those in our State who have carried on this tradition and made remarkable strides in improving medicine, agriculture, technology and industry in our world.

I join with your family, friends and colleagues in applauding you as you are honored by the Hall of Fame for committing your time and talents to the advancement of science and technology. You can take pride in the knowledge that your research and discoveries will have a lasting impact that will benefit not only our great State but also the world. I commend you for your hard work and dedication in the pursuit of knowledge.

Again, congratulations and best wishes for continued success.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Christie".

Chris Christie
Governor
